asks fellow workers to:

the field workers choice:

The
United Farm Workers Union

TOGETHER
we are strong

the FARMWORKERS' FIGHT

our story begins in California in June, 1970....

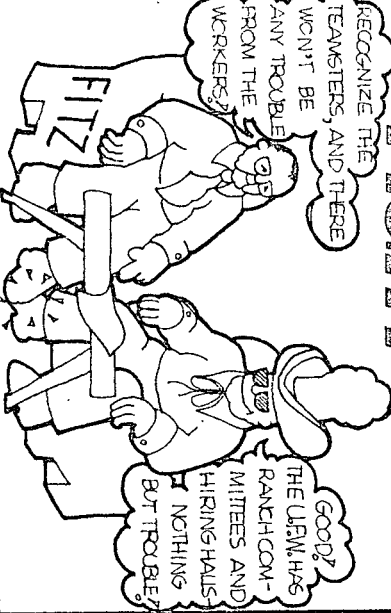

RIGHT AFTER THE FARMWORKERS VICTORY IN THE GRAPE BOYCOTT, THE BIG LETTUCE GROWERS MET SECRETLY WITH THE TEAMSTERS. SINCE NO WORKERS WERE PRESENT THEY IMMEDIATELY AGREED ON PHONY CONTRACTS...

BUT WHEN THE FARMWORKERS HEARD ABOUT THESE BACK DOOR CONTRACTS, THEY STRUCK-- DEMANDING THAT THEY BE REPRESENTED BY THE... UNITED FARM WORKERS-- THEIR OWN CHOICE--

SOME OF THE GROWERS GAVE IN RIGHT AWAY...

I GIVE UP? THE TEAMSTERS HAD THE CONTRACTS, BUT THE U.F.W. HAD THE WORKERS?

RECOGNIZE THE TEAMSTERS, AND THERE WON'T BE ANY TROUBLE FROM THE WORKERS?

GOOD? THE U.F.W. HAS RANCH COM-MITTEES AND HIRING HALLS-- BUT TROUBLE?

SALINAS NEWS
7000 LETTUCE WORKERS SHUT DOWN SALINAS FIELDS!
HUGE PICKET LINE-- WE WANT THE U.F.W.

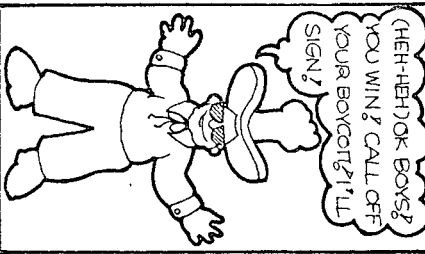

BUT OTHER GROWERS GOT FRIENDLY JUDGES TO DECLARE THE STRIKE ILLEGAL...

CAN YOU BELIEVE IT? THE WORKERS WANT THEIR OWN UNION?

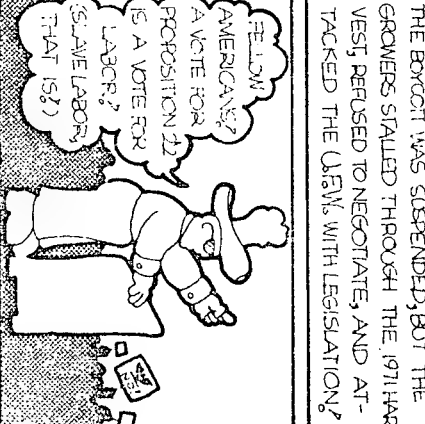

THOSE UPPITY WORKERS? I DECLARE THE STRIKE ILLEGAL!

THE U.F.W. RESPONDED WITH THE LETTUCE BOYCOTT!

THEN IN MARCH, 1971, TEAMSTER OFFICIALS RECOGNIZED THE U.F.W. AS THE REPRESENTATIVE OF THE WORKERS. THIS, ALONG WITH THE BOYCOTT, BROUGHT THE GROWERS TO THE NEGOTIATING TABLE?

(HEH-HEH) OK BOYS? YOU WIN? CALL OFF YOUR BOYCOTT? I'LL SIGN!

THE BOYCOTT WAS SUSPENDED, BUT THE GROWERS STALLED THROUGH THE 1971 HARVEST, REFUSED TO NEGOTIATE, AND ATTACKED THE U.F.W. WITH LEGISLATION?

FEW AMERICANS? A VOTE FOR PROPOSITION 22 IS A VOTE FOR SLAVE LABOR? (THAT IS?)

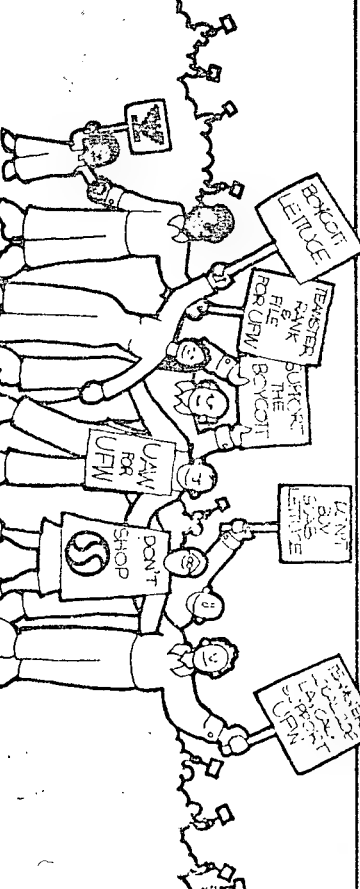

WHEN CALIFORNIA VOTERS REJECTED PROPOSITION 22 ON NOV. 7, 1972, THE GROWERS AND THEIR FRIENDS CAME UP WITH A DIFFERENT PLAN?

IF YOU GUYS WILL HELP, WE CAN BREAK OF OUR THE U.F.W.? SWEETHEART BUY ANY CONTRACT? U.F.W. (LETTUCE?)

AND SO, AS 1972 DREW TO A CLOSE...
1. GROWERS WHO WERE RENEW UNDER CONTRACT WITH U.F.W. STALLED CONTRACT RENEWALS.
2. TEAMSTER OFFICIALS ANNOUNCED THAT THEY WERE GOING TO RENEGOTIATE THEIR SWEETHEART CONTRACTS IN VIOLATION OF THEIR AGREEMENT WITH THE U.F.W.
3. SWEETHEART SIGNED U.F.W. LETTUCE.

AND THE FARMWORKERS HAVE RESPONDED WITH AN INTERNATIONAL BOYCOTT OF HEAD LETTUCE AND A BOYCOTT OF ALL SAFEWAY STORES? AND NOW MORE AND MORE PEOPLE ARE SUPPORTING THE LETTUCE BOYCOTT, INCLUDING BANKS AND FILE TEAMSTERS AND WORKERS OF MANY OTHER UNIONS?

UFW BACKGROUND

SEPT 1965: Beginning of Delano Grape Strike. First boycott, against the Schenley Corporation, begins in Dec 1965.

APRIL 1966: Schenley recognizes United Farm Workers Union, negotiations for first contract begin.

1966-1967: Long struggle with DiGiorgio Corp. and Perelli-Minetti. Both companies invite in Teamster officials, trying to avoid the workers union, UFW. UFW wins both strikes and UFW membership spreads in California and elsewhere.

JULY 1967: Teamsters sign first jurisdictional agreement with UFW; provides that UFW will be the field workers union.

1967-1970: Long table-grape strike and boycott. Employers finally agree to negotiations in April 1970.

JULY 23, 1970: Salinas lettuce growers meet, decide to "feel out the Teamsters". Growers and Teamster officials announce that Teamsters represent the lettuce workers in the field.

JULY 29, 1970: Victory for UFW in Delano, California. Grape contracts signed. UFW asks for elections in Salinas lettuce fields. Growers refuse election.

AUGUST 10, 1970: Teamsters again sign jurisdictional agreement with UFW. Growers refuse to give up sweetheart contracts in the lettuce.

AUG. 24, 1970: Largest strike in farm labor history begins as 7,000 workers walk out of vegetable fields in Salinas and Santa Maria valleys. Strike quickly forces Interharvest and Freshpick Corporations to hold elections in which UFW wins over 95% of workers votes. Contracts follow.

SEPT-DEC 1970: Most growers get local judge to issue permanent injunction against strike. UFW begins lettuce boycott. Another local judge orders boycott stopped and jails UFW leader Cesar Chavez when he refuses to halt boycott. Chavez freed after 24 days in jail and the boycott continues.

MARCH 26, 1971: Teamsters sign a third jurisdictional agreement with UFW. Fitzsimmons and Meany countersign. This agreement and pressure of the boycott bring growers to nego-

APRIL-NOV 1971: Growers stall negotiations thru another harvest. Meanwhile, agribusiness interests in several states begin efforts to pass anti-labor laws. Negotiations break down. Boycott resumes.

DEC 1971-MAY 1972: Growers get Nixon-dominated National Labor Relations Board (NLRB) to seek court injunction against UFW boycott. UFW stops this by attacking Nixon directly. UFW wins elections and contract in Florida (city).

JUNE-NOV 1972: Agri-business in California uses wholesales fraud (e.g. proven forgery) to put Prop. 22 on the ballot. UFW mounts massive campaign and solid worker vote defeats this anti-labor attack, 58% to 42% on Nov 7, 1972.

DEC 12, 1972: Teamster President Fitzsimmons crosses UFW picket to tell convention of the right-wing Farm Bureau (which represents agri-business corporations) that the Bureau and Teamsters should unite to defeat the farmworker

DEC 13, 1972: Teamster officials announce that they are renegotiating the sweetheart contracts with the growers - complete violation of the jurisdictional agreement.

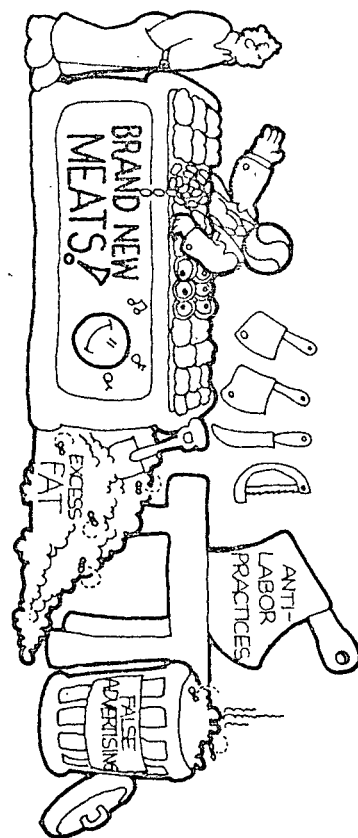

DEC 17, 1972: Teamster members of Local 208 in L.A. vote unanimously to support the UFW and denounce Fitzsimmons.

DEC 29, 1972: California Supreme Court finally rules that the growers and Teamster officials signed the 1970 contract without prior worker participation and that the UFW strike against the Teamster "contracts", was legitimate.

DEC 30, 1972: UFW again demands recognition. Growers refuse UFW intensifies and expands the head lettuce boycott. UFW begins total boycott of Safeway stores; the biggest buyer scab lettuce.

EVENTS IN THE YAKIMA VALLEY: By summer of 1970, UFW had sizeable membership in Yakima. After a strong strike in the hops, workers at George Cannon's Yakima Chief Ranch voted 105 to 4 for UFW in Sept 1970. But Cannon refused to sign and has led the anti-worker forces in Yakima Valley. Both Cannon and the Teamster officials are supporting anti-farm worker bills in Olympia and Teamster officials state that

SINCE WE'RE NEIGHBORS Let's Be Friends

SAFEWAY FAT FRAUD: A consumer group in California has filed a 7.5 million dollar suit v. Safeway for excess fat content. The suit, on behalf of diabetics, heart patients, weight watchers, and persons with high blood pressure is based on tests, confirmed by USDA chemists, that revealed there was no significant differences in fat content between Safeway's ground beef, lean ground beef (20%-30% more) and extra lean (30%-50% more than ground beef). Recently in Seattle (1971 and Jan 1973) Safeway has been fined for excess fat in beef.

SAFEWAY UNION-BUSTING: Safeway's anti-labor actions go back to the 1930's when they helped finance the Associated Farmers, a vigilante group in California that terrorized and murdered striking farmworkers.

SAFEWAY, UNWANTED NEIGHBOR: Safeway is now the biggest food chain, \$5 billion "plus" in sales). In Seattle it rakes in almost 30% of the food sales and has announced nine new stores in 1973. That means squeezing out more homes and small markets as Safeway tightens its grip on the food market. Safeway's slogan should be, 'Since Your Stuck With Us, You May As Well Like Us!'

SAFEWAY'S BIG BOYS: Safeway's Board of Directors includes J.G. Boswell. He gets the U.S. Dep't of Agriculture's largest subsidy of over \$3½ million yearly for the 108,000 acres he owns, plus sizeable subsidies from his Austranlian interests. Over 10% of Safeway's stock is controlled by Chase Manhattan Bank (owned by Rockefeller).

AND...

SAFEWAY IS THE BIGGEST BUYER OF SCAB LETTUCE.

LOS ANGELES TIMES

DEC.30,1972 "...The California Supreme Court ruled in effect that the Teamster Union worked in collusion with a group of growers to block Cesar Chavez' farm workers' union... The 6 to 1 decision thus upheld the charge by Chavez that the growers and the Teamsters Union joined forces without the consent of the workers themselves to try to stop an organizing campaign by Chavez' AFL-CIO United Farm Workers Union."

WHY ARE THE TEAMSTER OFFICIALS HELPING THE GROWERS (MANAGEMENT!) IN AN EFFORT TO BLOCK THE WORKERS UNION?

The UFW insists on hiring halls and strong ranch committees (subject to being replaced at any time by a worker vote), both essential for field worker protection. UFW contracts include control of pesticides and benefits that cover all field workers. Teamster officials signed contracts without these points (and without workers say so). It seems that some Teamster bureaucrats like Fitzsimmons are willing to sell out farm workers' interests for the sake of alliances with business interests.

However, labor bureau rats often do not reflect the thinking of rank and file workers. Many Teamster members support the farm workers. For example, in Los Angeles, I.B.T. Local 208 passed the following resolution:

"...verbal attacks against UFW leader Chavez, or proposed alliances with the American Farm Bureau Federation can only weaken unity and the strength of organized labor... Brother Fitzsimmons' statements were ill-advised at this time, and further, do not represent the will of the rank and file brothers...(we) fully support and unite ourselves with our brothers and sisters of UFW and their just struggles. VIVA LA HUELGA!" (unanimously passed at Dec 17 membership meeting, signed by 86 members.

Rank and file worker support for the farm workers fight is vitally important. The UFW is a progressive, fighting union

whose members are active every day in the struggle to build their organization. Everyone who works for the union receives room and board and five dollars a week, including director Cesar Chavez. Powerful forces want to crush the UFW partly because the farm workers' cause serves to help unite all workers. We need to support the farm workers' lettuce and Safeway boycott. When we actively join in the struggles of fellow workers we help build workers strength everywhere.

WHAT IS TO BE DONE?

1. Don't shop at Safeway! They buy the most scab lettuce and have the most influence with big lettuce growers. Don't buy or eat any head (iceberg) lettuce unless you see the UFW black eagle on the boxes in the coolers. There is practically no UFW lettuce in the Seattle area. Talk to people whenever possible about the Safeway and lettuce boycott.
2. Organize in your work place and union. Post leaflets, pass pamphlets and petitions around, distribute buttons and bumper stickers. Bring the boycott up for discussion and action at union meetings. Get resolutions and donations in support of the United Farm Workers.
3. Help the farm workers stop bad legislation. Anti-labor forces, including some Teamster officials, are hoping to push anti-UFW bills through Olympia. George Gannon, millionaire hops grower from Yakima, is parading an anti-labor right-to-work bill under the guise of a "Bill of Rights For Farm Workers." Most dangerous is the Farm Bureau backed campaign to bring farmworkers under the bureaucracy of the NLRB. The object of this is to take away the UFW boycott. Owners of the textile mills in the south have used NLRB red tape to keep their shops non-union. Time and again textile workers have voted for a union and contracts, but the owners have avoided negotiating a contract by tying the workers up in NLRB challenges. Since under NLRB regulations a UFW-type boycott is illegal, the workers have been unable to force the owners to sign contracts. Contact your union officers and elected public representative and tell them to oppose such legislation in Olympia and Washington, D.C.
4. JOIN THE UFW PICKET LINES AT SAFEWAY EVERY SATURDAY.

Joan Hirsh called and said she was going to Portland the next day and would see Franci Russ. The Portland Strike Support Committee was having a big rally so she was going to it.

She also mentioned a picnic at Seward Park when 'Western Front' will change its name to "The Northwest Worker". She was in process of writing an article for the first issue which would be out Aug. 26 at the picnic. She said the reason for the change was to include more articles from the Tacoma and surrounding area rather than just Seattle. Joan and Oliver (Her Husband) both are very active in writing articles for the paper.

Arrived about 1:30-2:00 approxmatly 100-150 people present.

People present:

Joan and Oliver Hirsh

Jim Ransom

John Ramson- Jim's brother just in town for a week

Bill Buckley

Elina and Frank Chavez

Mel Kung

Franci Russ's Brother (Glen) and wife

Was introduced to John Ransom by Joan Hirsh, he was not very talkative. He and Frank Chavez were discussing about Chino people being discriminated against. The the general topic was wages. Oliver Hirsh was taking pictures and forgot and opened the camera before rewinding it and exposed the film. Jim Ransom said, "Good I hate to get my picture taken anyway."

There was talk between Joan Hirsh and Mel Kung on how everyone would miss him. So from that I believe he will be leaving this area. They mentioned something about Sister Jean taking over.

New issue of "Northwest Worker" given away. On the front page shows local Tacoma Strike Support and pickets at Safeway store in the Hilltop area.

In general the day was a typical picnic with a lot of fun and no trouble. No real discussions of work or plans.

Thien stated: "There is no reason for me to seek freedom from a government that practices aggression against the freedom and independence of the Vietnamese people."

Where Will Thien Go?

The South Vietnam where N.C. Thien wants to go back is that part of the country controlled by the Provisional Revolutionary Government of the Republic of South Vietnam. The PRG was established in 1969 as an alliance of all political parties desiring independence and freedom for south Vietnam. Its program is to drive out the invaders, establish democratic freedom, reconcile and reunify the nation.

Thien's fight for freedom is tightly linked up with the interests of the American people. 50,000 young Americans have paid with their lives; hundreds of thousands have been wounded. Our taxes prop up a brutal dictatorship. And as the economic difficulties of imperialism increase more and more of these burdens will be shifted to working people in this country.

How to Help!

- 1—Sign and return the petition below.
- 2—Send a donation to the defense fund.
- 3—Help set up speaking engagement
(Thien is available to speak about the case with movies and slides about his country)

Return petitions and make checks payable to:

NGO CHI THIEN DEFENSE COMMITTEE

Ph. (503) 223-0445

We undersigned demand that:

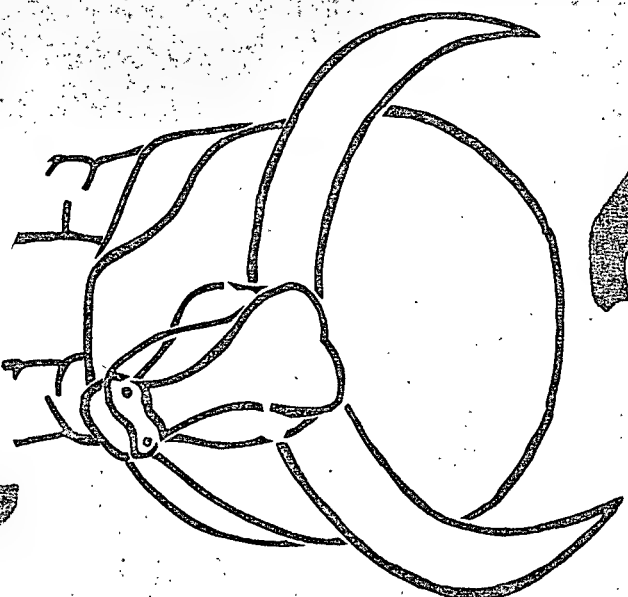

- 1—Ngo Chi Thien be allowed to return to the Provisional Revolutionary Government of the Republic of South Vietnam
- 2—The U.S. Government must respect the Paris Peace Agreement.

"Puppet Thien,

YOU!"

NGO CHI THIEN
Service No. 70A703143

Who is Ngo Chi Thien?

On March 19, 1973 the Portland Office of the U.S. Immigration Service ordered Ngo Chi Thien, a south Vietnamese seaman, deported back to the Saigon regime. Immigration Judge Keane concluded: "It would be unconscionable and incongruous for this government to shield this deserter while its own men were dying to save democracy in his country."

Thien was born 22 years ago in a small village near Da Nang, south Vietnam, one of 12 children. He was forced into the Saigon Navy at age 18. In 1970 he was sent to the U.S. to train in medical technology. He began talking to people at the naval hospital where he worked in San Diego about the puppet dictatorship in south Vietnam. In March 1972 Thien was ordered to return to Saigon. He refused, was arrested and jailed in Portland, Oregon, by federal officers. Thien stated his beliefs simply: "I am against the war in my country. I am against the way President Thieu is handling the war. I would like to see peace in Vietnam."

Fascism under Thieu's Regime

Thien's feelings about the war are shared by millions of Americans but under the Thieu regime his feelings are grounds for torture and execution.

The Paris peace agreement recognizes two parties in south Vietnam and that these two governments will "Ensure the democratic liberties of the people: personal freedom, freedom of speech, freedom of the press, freedom of meeting, freedom of organization, freedom of political activities, freedom of belief, freedom of movement . . . " (Chapter 4, Article 11)

Yet new martial laws of the Saigon government state that demonstrations for peace, distribution of leaflets and desertion are among the activities punishable by death "on the spot." (Washington Post 1-22-73)

Thieu, a corrupt servant, continues to rule only by terror. In 1967 a cousin and uncle of Thien's were arrested for attending a peace rally. Neither has been heard from since. Don Luce, Director of the Indochina Mobile Education Project estimates that over 300,000 such persons are now imprisoned for opposing the Thieu regime. The prisoners come from all social classes, all religious and political viewpoints. Once imprisoned, they are subjected to inhuman torture: tiger cages, electric shock burns, baths of lime, starvation, continual beatings rape . . .

U.S. Role

General Ky of the puppet government remarked that the Saigon regime would "not last five seconds" without 100% U.S. support. This support comes in enough planes to give Saigon the third largest air force in the world. We give billions of dollars each year to pay a mercenary army and the world's largest per person police force. The money to build the prisons and pay the torturers comes from the American taxpayers.

Nearly twenty years ago President Eisenhower blocked free elections in South Vietnam when he saw that 80% of the people would vote for Ho Chi Minh. Today, after the signing of the Peace Agreement and in Thien's case, the imperialists have revealed their continued desire to crush democracy in South Vietnam. Thien will not apply for political asylum in this country.

I'm not sure if the picket for Sat. at Ft. Lewis has been called off or if a second picket has been planned. There will be a picket at the Madigan rate Tue, Oct. 16 from 3-5PM. They passed a list to get people to picket Buela Robb, Frank Chavez, Bill Buckley, Scott?, Jim Ransom had signed the list when it passed me.

They have planned pickets for the Lakewood Rhoades and Safeway store. No date has been set for these other than it will be a Sat. and both stores the same day.

The meeting was held with full order. Sister Jean conducted the meeting. Jim Ransom was like second in charge of the meeting. The group is devided up into committees for different things. There are committees for publisity, and leaflets, a group for the Farah strike information, There was a speaker from the TCC Teachers who are out on strike who spoke to the group. The Strike Support Committee voted to support the Teachers with money and picketeers.

There was a picket line with signs against Nixon. TWT newspaper and KTAC Radio Station were both there.

Jim Ranson was in charge of the picket lines. He was passing out leaflets to people in cars when they stopped at the traffic lights. Bill Buckley was on the microphone leading the chants.

Many of the pickets were students from TCC. The picketing and chanting went on till about 5:30 P.M. They decided not to march to the Washington Plaza (which is where they had ~~to~~ changed the rally to be because of more light.) because not enough people. There were about 45 people there at one time at the most.

Frank Chaver spoke first he said, "Nixon is ruining it for the wealthy so they want him out too. That the killing at Attica Prison

Bill Buckley introduced Jim Ransom as being the spokesman for the Revolutionary Union.

Jim Ransom spoke on the fact that this was just a start in Tacoma and very small crowd but there would be more and larger turn outs. He stated, "that Tacoma people were not used to the idea of pickets and voicing their beliefs but that there would be more."

Elina Chavez spoke for the Tacoma Strike Support Committee. She said, "The picket lines were at the Safeway stores every Sat. A lesson how successful the mass picket at the Lakewood Rhoades & Safeway had turned out."

Joan Hirsch stopped me before I left and asked me to come over to her house Sat 3:30 for a meeting of a group of girls. Not really a women's lib group but we would discuss what the C.U. beliefs was on women. She said, "She was going to be hard with them about her

Fort demonstration for GI broken up

The wife of a Fort Lewis soldier facing court-martial was among some 25 persons who were escorted from the base Sunday after distributing leaflets at the main post exchange.

The group, said to be all civilian, began handing out leaflets on the Fort Lewis military reservation about the same time as a demonstration off the base on the Madigan overpass in sympathy of Pfc. Glenn Rohb, a military spokesman said.

Rohb, 24, is charged with unauthorized distribution of literature. He faces court-martial Jan. 7 for the alleged distribution of the GI Voice, an off-base newsletter.

Two other soldiers previously charged with the same offense were convicted.

Rohb's wife was said to be among the group escorted from Fort Lewis Friday but the others were not identified. All were issued letters of explanation within every 48 hours of arrest if they return to the

Some 20 to 25 persons were involved in the demonstration on the Madigan overpass, but state troopers said they walked back and forth on the sidewalk, were orderly and there were no incidents.

The evening started with MC- Frank Chavez welcoming everyone. He then introduced Jim Ransom of the Revolutionary Union. Jim Ransom spoke on how the Revolutionary Union was a Communist organization and was supporting the local Strikes. They are planning a mass picket Friday starting approx. 4:30 at the County-City Building then marching down 11th street downtown. The ~~them~~ theme of the picket is "Throw the Bum Out" referring to the President. Will find out more details later in the week.

The Band that played was "Rose & the Dirt Boys" they have been playing at the Quarter Deck Tavern on Pacific Ave., Tacoma. The lead singer is a friend of Joan and Oliver Hirsh so they played for free.

Jim Ransom was speaking with Phillip ? a first year law student at UPS and said they would go into more details and talk about it later. Have no idea of what the conversation was about. Phillip ? was about ~~xxx~~ 5'5" wore a beard and is from NY.

Bill Buckley was working at the door and said they sold over 150 tickets for the dinner dance. Bill is not a picket captain for any

Buella & Glen Robb were on the planning committee for the affair.

The room used at the Breckenridge Apt. has been donated for each of these affairs only requirement is a damage deposit and that they do their on cleaning up after it is over. The manager has never attended any of the activites or the assistant manager.~~xxx~~ The only time either one has shown up is to have the group quiet down at 12PM. Neither one has ever been to any of the functions and I haven't been able to figure or find out why the room if rented to them free.

Picketing in support of the Farah strike began in Seattle last December. Demonstrations were held monthly and in May a group of people formed the Seattle Strike Support Committee to continue the work around Farah and other strikes such as Shell, Oneita, and the Farmworkers. In Tacoma, also in December, the strike support committee grew out of Farah support work begun by a rank and file caucus of garment workers. Strike support committees have also been formed in a similar way across the country.

Many working people have organized support for the strikes within their rank and file caucuses. Rank and file Teamsters have brought up the issues of the Farah and Farmworker strikes in their workplaces and on the picket lines. Many workers see the issues in their plants the same as those on strike.

The main support work done by these committees is on the picket lines. In Seattle and Tacoma, customers at Safeway stores are asked not to shop at Safeway and not to buy scab farm produce at any store. At Lamonts and Rhodes customers are asked not to buy Farah products. Nationally, benefit dances, rummage sales and raffles have been used to raise money for the strikers. And by speaking to groups and leafletting campuses, plants, the committees have widened support for the strikes.

Members of the Seattle and Tacoma strike support committees picket Safeway stores every Saturday turning away hundreds of shoppers. In Tacoma about 75 people demonstrated at the Hilltop Safeway store and cleared the parking lot.

The boycott of Farah pants in the two cities has been equally successful. Just recently in Tacoma the strike support committee organized a mass picket at Rhodes and then marched over to the near-by Safeway demonstrating the solidarity between the two strikes.

The Farmworkers and Farah Strikers are giving leadership to all working people by their determination to win in the factories and in the fields.

People attending picket: Frank & Elina Chavez Joan & Oliver Hirsh

Bill Buckley Jim Ransom

Buella & Glen Rob Sonny Peruz

The picket was very orderly and a lot of chanting so had very little chance to talk to many people.

Oliver Hirsh was talkative asking about Day's contract and how it was coming. He does a lot of writing for the Northwest Worker on articles about the Tacoma area. He also took 3-4 rolls of pictures in hopes of getting some good ones for the paper.

The picket at Rhoades lasted until about 12:15PM the we marched over to Safeway store. We changed from "Don't Buy Parak Slacks" to "Boycott Safeway" signs about halfway across the parking lot. The signs were carried in Joan & Oliver Hirsh's car. The the picket at Safeway lasted until about 2PM. Leaflets were distributed in the parking lot by Jim Ransom, Joan Hirsh, and Buella Rob.

Monday November 12 there will be a dinner at the Proctorid in Apt.

This was done in conformity with the principles of the Tashkent State Department of Internal Affairs of the USSR Ministry of Internal Affairs. The Vozrozhdeniye newspaper and the staff of the department of the Ministry of Internal Affairs of the USSR Ministry of Internal Affairs. All these people were under the control of the state security organs and were not allowed to leave the region.

Pickete visit two Villa Plaza stores

Two Lakewood business firms were picketed Saturday, Nov. 3, as the Tacoma Strike Support Committee, represented by about two dozen individuals, paraded during the late morning and early afternoon hours.

A spokesman with the picket group said the action was to build support for labor strikes involving Farish Manufacturing Co. of Texas, makers of Farish brand pants. The pickets paraded at the front entrance of Rhodes Department Store in the Lakewood Villa Plaza.

The second visit of the picket group was at the Villa Plaza Safeway store where they urged patrons not to purchase grapes and lettuce. The grocery store appearance was in support of the United Farm Workers of America.

The picket spokesman related the Tacoma Strike Support Committee is a broad coalition of individuals and groups. The organization lists a mailing address at P. O. Box 891, Tacoma 98401.

It was noticed that the picket line included individuals who are located in this area. Several youngsters said they lived in Portland and one individual was known to be a serviceman stationed at Fort Lewis.

The picketing group voiced a chant against the manufacturing company on one from the apparent group leader and distributed handbills to shoppers at both stores.

There were no incidents resulting from the demonstration.

This meeting was a planning meeting for a rally at Ft. Lewis to free Glenn Robb of the charges they have against him. It will take place Sunday December 16 and will be a 2 part rally there will be people at the Madigan gate to pass out leaflets and general picket. Part 2 and the same time there will be people getting on post to pass out leaflets at the PX and Commasary. They were asking for volunteers who didn't care if they were arrested. Also the volunteers had to be someone who wasn't already banned from post. The tentative schedual right now is every one who is going on post will meet at Carey's House 1654 S. 54th at 11:00 AM to make signs and also make sure they don't have much ~~id~~ identification on them. Then the proceed to Ft. Lewis about 1:00 PM. So far their plan is to go on by the city bus from Tillicium at 12:45 then be shuttled by car to the PX and Comminsary by cars already on post. The rest will go on one or two at a time in cars with Ft. Lewis Stickers on them then the people who have been doing the shuttling will leave to join the rally at Madigan gate. So far I know of Joan and Oliver Hirsh and Dave ? and a couple TCC students who are going on post. They hope to have between 20 and 30 people on post. When these people are released by the MP they will be taken to one of the gates and someone will go and pick them up.

Talk has it that Franci Russ and her Husband will be up here for the rally since Glenn Robb is her brother.

Sunday evening there will be a form at St. Leos, 710 S. 13th at 7:00 PM in support of Glenn Robb. The form is being put on by the Revolutionary Union and the Defense Committee (To Free Glenn Robb)

December 12, 1973

Page 2

After this meeting we then proceed on to the Women's Study Group at Yuonue ?, 1316 No. 19th. We saw the movie entitled the "Women's Film" then rapped about it for a few minutes. Yuonue had so many students over helping her with a project for ~~xxxx~~ her class that we just put off the meeting till next week. Before we left Joan Hirsh told all these students about the rally for Glenn Robb many said they would come to the Madigan gate rally but were not willing to go on post. There were appox. 10 students there and most go to UPS.

Then we took Sheila Huerta home and went to Joan Hirsh's home. My Husband was there so we sat and rapped for a while so Joan and I could be filled in on the details they decided on after we left the other meeting. I have included them into the other of the day for Sunday. Left there about 12:00PM.

Understand 4 of the people in Seattle have been given subpoenas to go to court and state who else was on the picket line with them and if they don't they could serve up to 6 months in jail.

Next week the picketers are going to be a little bit more ready for the Secutiry gaards by in return taking their pictures and giving them a little bit more trouble by holding up signs so they gan't get your pictures.

"That violence is not the answer that was proven by the College age people,

Comments: SEE ENCLOSED PROGRAM.

----- The highlight of the evening was the speech given by Sonya Goldberg, a member of the Revolutionary Union, which lasted approximately twenty minutes. In her speech she advocated the violent overthrow of the Capitalist system and offered in it's place Socialism.

--- Another high point was an argument-debate between Jan Ford and Roberto Miastas which took place around 1:00 A.M. By this time most of the people had left and only around twenty RU members and friends, plus, around ten Chicanos remained. The argument appeared to be instigated by Roberto Miastas and centered upon the RU "policy" towards homosexuality in a manner of trying to discredit the RU. He also made inferences that the RU hoped someday to have El Centro in or under it's control - a point which Roberto said will never happen.

--- Frank Chavez said that he is going to form an Attica Brigade at the University of Washington. (a point which Sonya Goldberg also mentioned in her speech)

--- Mrs. Phil Farnum said that Phil had injured his foot at work. She said that he was wearing a pair of steel toed protective boots and that he smashed his foot under some piece of machinery that he was working at.

--- Doug Lommel said that he is driving taxi cabs and that yesterday he had a fare that went to Bremerton after the ferries quit running and he made \$100.00, on that trip.

--- Brian Chambers was smoking marijuana outside in his truck.

--- Bruce Olsen wrote an article on the IWD in the TODAY NEWSPAPER and made references to the RU in the article.

--- Oliver ? - SEE DEC. 16, 1973, arrests at Ft. Lewis, said that he works in a mill.

--- Brian Kimbrough said that a new RU study group will begin sometime in mid-April and will last for approx. 13 weeks.

--- Jan Ford said that he has taken two years of Kung-Fu, the oriental art of self defense.

Cont

--- Karen D. - 1017 E. Republic- said that she has studied Karate for two years and has a "brown belt". She is presently teaching members of the SSSC : Bob Barnes, Wayne ?- from L.A. and others the art.

--- Raleigh McLemore said that he had stopped at Boeing on Thursday/ Mar. 7, at around 5:00 P.M. hoping to get something out of somebodies cat but couldn't get in.

--- Timothy John Lynch said that he has just moved into Bruce Sidel's house. CHECK OUT NAME.

--- Bob Barnes said that some of the "indepentents" in the Seattle area might be doing some GURILLA THEATRE at local gas station lines and said that he would let me know when it was going to happen.
End.

Henery Valenti is differently an Revolutionary Union member. He was explaining the RU theory to a fellow Smelterworker from Tacoma.

Glenn Robb will be home about the 15th of March getting out with a dishonorable discharge. Henry Valenti and Kerry Hayne were talking to Glenn's wife Buella and they are not sure if they will stay in the Tacoma area or go back to Oregon depends on how hard it is to find a job.

Demonstration put on mainly by the Attica Brigade from the University of Washington by printing the leaflets and making signs. Frank Chavez was one of the leaders of the group who is RU member.

There were 60-70 people who took part in the demonstration most from Tacoma and Seattle. The Seattle group did most of the planning. The demonstration was orderly a little name calling of the police other than that the line was well mannered. UWOC out of Seattle provided the car with microphone to lead chants. The Tacoma group Rising Storm consisting of Joan and Oliver Hirish lead songs and some of the chants. The group from Tacoma was upset when the demonstration only lasted an hour. They felt that since people were still arriving that the demonstration should continue. However when the majority said it over they agreed and left.

Jim Ransom and Sona Goldberg are living at the same address 1412 S. 9th.

Joan and Oliver Hirish are trying to set up a branch of UWOC (Unemployed Workers Organizing Committee) here in Tacoma. Both are presently unemployed.

CASE SUMMARY FOR FILE

26 Sep 1968

Sgt Oliver V. Hirsch, AF 15 758 477

Sergeant Hirsch applied for discharge as a conscientious objector on 13 August 1968 under the provisions of paragraph 3-8r, AFM 39-10. However, he had previously applied for discharge for the good of the service on 24 July 1968 under the provisions of paragraph 2-76, Section F, Chapter 2, AFM 39-12.

Sergeant Hirsch's application for discharge for the good of the service was approved on 27 August 1968 and he was discharged that date under the provisions of Chapter 2, Section F, AFM 39-12, with issuance of an Undesirable Discharge Certificate.

Since Sergeant Hirsch was discharged for the good of the service prior to finalization of his application for discharge as a conscientious objector, no further action will be taken on his application for discharge as a conscientious objector other than forwarding it for file in his Master Personnel Records.

TO:

1. The attached application for discharge based upon conscientious objection (AFR 35-24) is returned for further documentation and processing.
2. The separate request for discharge under provisions of paragraph 2-78, AFM 39-12, approved this date by Fourth Air Force Commander, should be executed with the least possible delay. Coordination with the Office of The Judge Advocate General, USAF, and AFMPC(AFPMAKE), Randolph Air Force Base, Texas 78148, establishes that there is no directive or policy which requires withholding execution of approved action under the provisions of paragraph 2-78, AFM 39-12, pending final decision on an application under the provisions of AFR 35-24.
3. When the application for discharge for conscientious objection is forwarded to AFMPC it should make reference to the date of discharge under AFM 39-12, and state the character of the discharge furnished.

4. a. Yes, I believe in God.

b. I believe that the taking of another man's life is the most heinous sin that man can commit. I cannot imagine any justification for homicide, no matter how euphemistically rationalized. I believe that man is created by a Supreme Being, whose nature is love, and that no one has the right, duty or obligation to deprive his brother of the gift of life under any circumstances. Furthermore, I believe that all war perpetuates murder; that killing only reaps more killing, and that armed forces perpetuate war by their very existence. I would not kill another - even if my own life were threatened, for I believe that my own death would be preferable to living with the knowledge that I had taken another's life. Finally, I believe that man can live in peace, and only by living peacefully can he live in accordance with the wishes of God.

c. My religious upbringing was in the Swedenborgian Church, a Protestant sect., and as a child, I was taught the love of my fellow man; and the importance of the commandment: "Thou shalt not kill" by my church, but, more importantly, by my minister, the Reverend Ernest O. Martin. However, these teachings had not fully reached me (i. e., I had not applied them to myself) until I began a period of deep introspection which I would say started around October 1967. I had, for a period of approximately one year, held the philosophical outlook of an Objectivist prior to my introspective analysis. However, when I began to question myself as to whether or not I could take the life of another, the feelings I now have began to formulate.

- d. I rely upon the teachings of Jesus Christ for religious guidance.
- e. I do not believe in the use of force for the solution of anything whatsoever.
- f. The depth of my religious convictions, I feel, have been demonstrated by my disassociation from the military, regardless of the consequences (i.e. federal prison).

1. The attached request for discharge has been reviewed by this office and found to be legally sufficient.
2. Sergeant Hirsch is 21 years old and has served continuously in the U.S. Air Force since 11 May 1966. On 19 July 1968 charges were preferred against him for violation of Articles 85 and 86 of the UCMJ, absence without leave from on or about 7 June 1968 to on or about 1200 hours, 27 June 1968, and desertion, commencing on or about 1500 hours, 27 June 1968, terminated by apprehension on or about 17 July 1968.
3. These charges have been investigated pursuant to the provisions of Article 32, UCMJ. Evaluation of this request for discharge was deferred until receipt in this office of the report of investigation and evaluation thereof.

were completed, Hirsch again absented himself without authority at about 1500 hours that date. On 15 June 1968, Sergeant Hirsch joined a group of eight other absent-without-leave military personnel in the Howard Presbyterian Church in San Francisco. On 16 July 1968, Hirsch and the other absent-without-leave personnel moved to St. Andrews Church in Marin City, California, where, as a matter of protest over United States involvement in Southeast Asia, the absent-without-leave personnel and clergymen had chained themselves together. On 17 July 1968, the Armed Forces Police and Marin County Sheriff's officers apprehended Hirsch and the other military personnel in St. Andrews. The lock securing the chain linking Hirsch and a reputed civilian clergyman was cut by Armed Forces Police. Hirsch offered no resistance to his apprehension. At the time of his apprehension, Hirsch did not have in his possession his DD Form 2AF, military identification card; however, he did have in his possession a military meal card, a military drivers' license, and a military vaccination card. Sergeant Hirsch was confined on 17 July 1968 at Hamilton Air Force Base. On 19 July 1968, he was visited by Reverend Don Schilling. While with Schilling, Hirsch summoned an air policeman and gave him his military identification card.

5. Sergeant Hirsch's military records reflect no prior disciplinary data. Two Airman Performance Reports covering the period 11 May 1966 through 8 December 1967 describe his service as outstanding. In both reports, he is described as having "outstanding potential for Air Force career". Hirsch was promoted to sergeant on 1 March 1968.

6. Premised on the assumption that the charges against Sergeant Hirsch, including the desertion charge, were provable, his immediate commander and the special court-martial convening authority recommended disapproval of the request for discharge. The base Staff Judge Advocate recommended final determination be held in abeyance pending completion of the Article 32, UCMJ, investigation.

7. The present charges of absence without leave and desertion terminated by apprehension carry a maximum imposable punishment, if referred to general court-martial, of dishonorable discharge, confinement at hard labor for three years and six months, total forfeitures, and reduction to the lowest enlisted grade. In my judgment, it is unlikely that a court-martial would convict Sergeant Hirsch of the offense of desertion. Were my view otherwise, I would recommend disapproval.

of the request for discharge. However, I am of the opinion that a court-martial would convict Sergeant Hirsch of two offenses of absence without leave. If a general court-martial convicted Sergeant Hirsch of such offenses, the maximum imposable punishment would be bad conduct discharge, confinement at hard labor for one year, total forfeitures, and reduction to the lowest enlisted grade. If a special court-martial convicted Sergeant Hirsch of such offenses, the maximum imposable punishment would be bad conduct discharge, confinement at hard labor for six months, forfeiture of two-thirds pay per month for six months, and reduction to the lowest enlisted grade. Imposition of a punitive discharge by either general court-martial or special court-martial for two offenses of absence without leave is authorized only because the maximum imposable confinement amounts to at least six months. Neither offense standing alone would authorize the imposition of a punitive discharge, and the court would have to be so instructed. In such circumstances, and considering the accused's prior outstanding record, and [REDACTED], my judgment is that a special court-martial would be the appropriate forum for disposition of such charges. Further, given these circumstances, in my opinion, it is unlikely that a special court-martial would in this case adjudge a sentence substantially in excess of a bad conduct discharge. Moreover, careful consideration of all of the facts of the case indicates that administrative disposition would be in the best interests of the Air Force. Accordingly, I recommend that the request for discharge be approved, and that Sergeant Hirsch be separated from the service with an undesirable discharge. The Commander, Fourth Air Force, must personally finalize the action.

Acting Staff Judge Advocate

1632 Broadway (across from S.C.C.) First Christian Church

Farm workers have the right to be represented by the union of their choice, the United Farm Workers of America (UFW). For the last decade, field laborers of all nationalities - Chicano, Filipino, Mexican, Black, Arab and White - have built their union against agribusiness' consistent attempts to divide them on racial lines. Teamsters have added to this oppression by making sweetheart contracts with growers without the knowledge or consent of workers in the fields. The farm workers' struggle is not a dispute between two unions. Last year, when UFW hard-won contracts came up for renegotiation, growers announced new contracts with Teamster officials. Farm workers responded to this conspiracy with the largest field strikes in U.S. history.

Why Are We Here?

Certain chain stores have insisted upon selling scab (non-UFW) grapes, head lettuce and Gallo wines. These stores are controlled by corporations whose interests lie with large growers. These growers are denying thousands of workers their right to organize. One good example is J. G. Boswell, the largest grape grower in Arizona. Boswell sits on the board of directors of Safeway, Inc. and has been one of the leaders of agribusiness' attempts to keep farm workers unorganized and low payed. This kind of interconnection between chain stores and growers can leave little doubt about why they refuse to respond to consumer demands to stop carrying scab grapes.

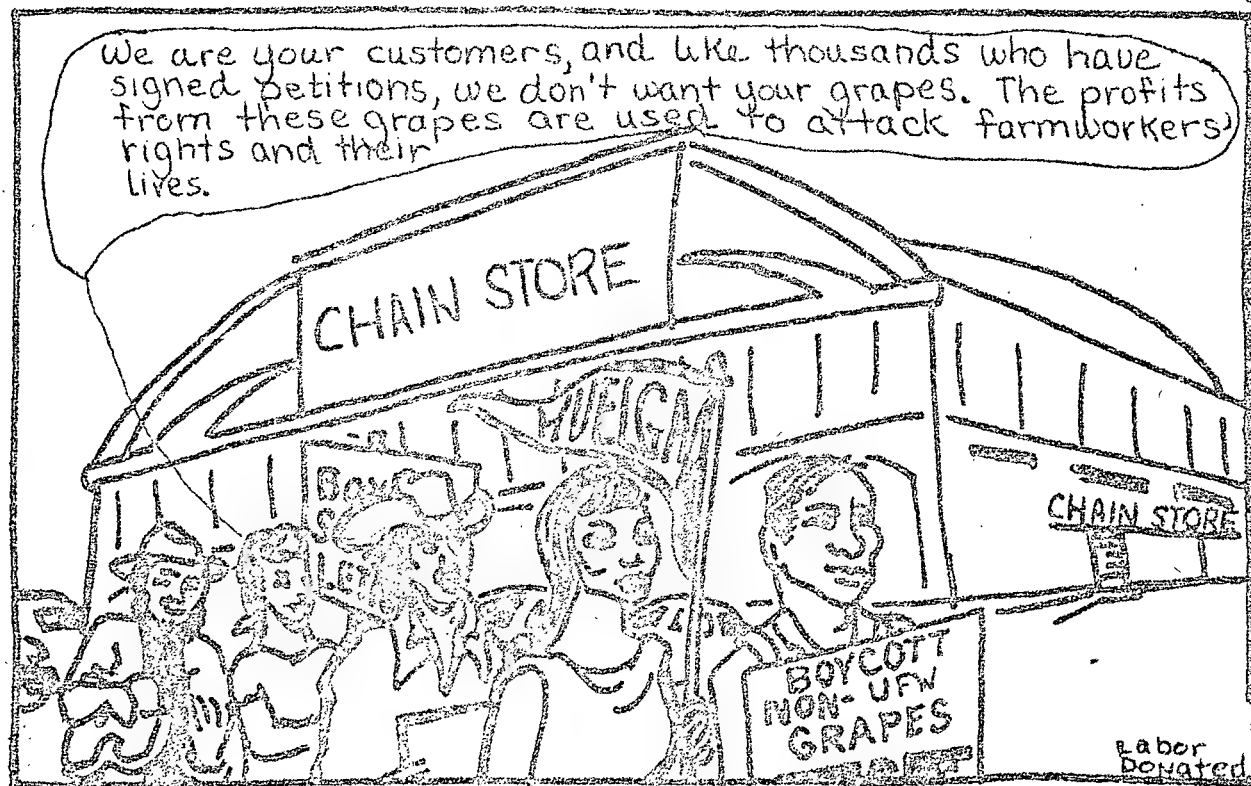

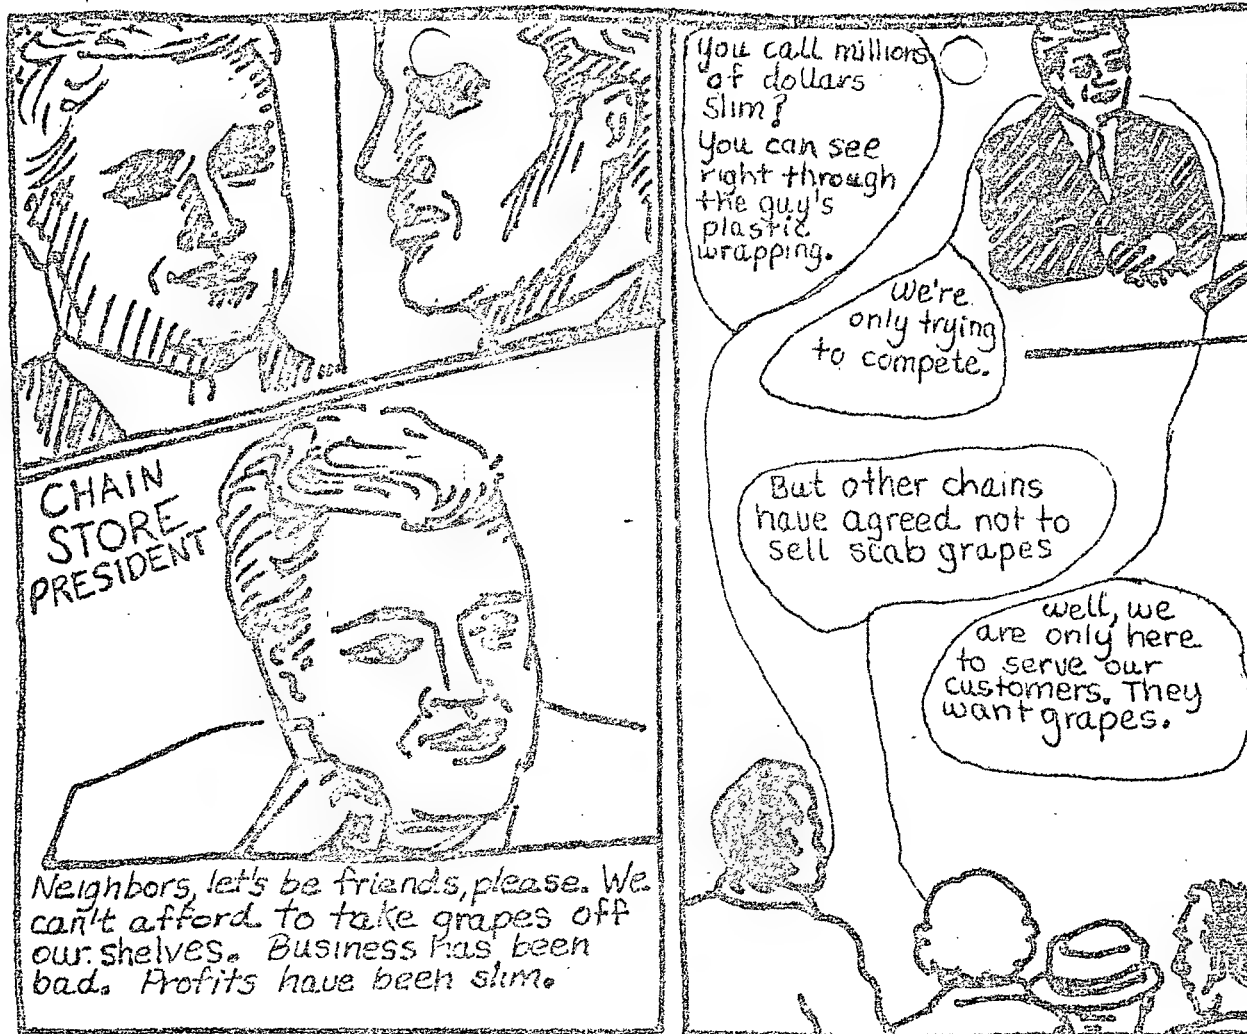

The profits from scab grape and lettuce sales support these practices:

1. $\frac{1}{4}$ of all farm workers are children under 16.
2. Farm workers are exposed to pesticides in high concentrations which cause nausea, dizziness, and skin diseases.
3. Farm workers are housed in shacks with an average of 1.9 room; 90% have no sinks, 96% have no tubs or showers.
4. Infant and maternal mortality is 125% higher than the national rate.
5. Average life expectancy is 49 years.

Statistics from U.S. Dept. of Agriculture, U.S. Dept. of Labor,
Senate Sub-Committee on Migrant Labor.

Join The Boycott

1. Don't buy any grapes this summer.
2. Boycott non-UFW lettuce and Gallo wine (any wine bottled in Modesto, Calif.)
3. Spread the word to your friends.
4. Tell your grocer you support UFW and won't buy grapes, Gallo wine or head lettuce.
5. Please shop at these Capitol Hill stores. They agreed not to sell non-UFW grapes:
Lucky's, 1st Hill Thriftway, Angel's, Capitol Grocery

INVESTIGATIVE SUMMARY

RE: OLIVER VINCENT HIRSCH
SUBVERSIVE MATTER -
REVOLUTIONARY UNION (RU)

FOIA b 6

FOIA b 7 - C

This investigation is based on information which indicates OLIVER VINCENT HIRSCH, in view of his affiliation with Revolutionary Union (RU) (See appendix), is engaged in activities which could involve violations of Title 18, U.S. Code, Sections 2383 (Rebellion or Insurrection), 2384 (Seditious Conspiracy), 2385 (Advocating Overthrow of the Government). The RU's published "Statement of Principles" calls for the smashing of the existing state apparatus by the United States working class and the establishment of communism and the dictatorship of the proletariat; recognizes the necessity of violent revolution and organized armed struggle to achieve these ends and calls for the creation of a revolutionary organization based on Marxism/Leninism as developed through MAO Tse-tung.

OLIVER VINCENT HIRST, white, male, was born at Versailles, France on [REDACTED] He is married to JOAN LANDIS HIRSCH, presently resides at 1212 South State Street, Tacoma, Washington; and is presently unemployed.

HIRSCH was identified as a member of the Tacoma Chapter of RU since June, 1973. He has attended weekly meetings of RU which were held on an irregular basis. He also attended irregular meetings of the Tacoma Strike Support Committee (TSSC) (an RU front group) since June, 1973, to February, 1974. Some of the members of TSSC are members of RU and dominate the TSSC meetings. HIRSCH has participated in 19 rallies and pickets sponsored by RU and/or TSSC since June, 1973, and has been active in support of worker rights related movements.

APPENDIXREVOLUTIONARY UNION

The Revolutionary Union (RU), founded in early 1968 in the San Francisco Bay area, is a militant semi-covert Marxist-Leninist revolutionary organization ideologically oriented towards the People's Republic of China and the teachings of Chairman MAO Tse-tung. Its objectives as set forth in its theoretical publication, "The Red Papers", and in its monthly newspaper, "Revolution", are the development of a united front against imperialism, the fostering of revolutionary working class unity and leadership in struggle, and the formation of a communist party based on Marxism-Leninism-MAO Tse-tung thought, leading to the overthrow of the United States Government by force and violence. Members of the RU have been identified as collecting weapons while engaging in firearms and guerrilla warfare training. As of July, 1974, RU national headquarters was located in Maywood, Illinois.

Tacoma Pickets Protest Proposed Power Hike

P-I Tacoma Bureau
TACOMA — Some 35 pickets last night protested to the Tacoma Public Utilities Board that a predicted 20 per cent increase in the electrical rates is "an attack on poor people."

The majority of the group were in their twenties. They were led by Oliver Hirsch, of Tacoma, who said the demonstration was sponsored by the "Committee to Fight the Rate Hike."

The demonstration lasted about 10 minutes and was loud, but orderly. The pickets left the Public Utilities Building without being asked to do so.

The question of a rate hike wasn't on the board's agenda last night, although earlier this month the board had reached a consensus on a request for a hike of about 20 per cent.

The board last night approved a 1975 budget of \$54 million.

Committee organized to fight utility hike

By MARLOWE CHURCHILL
TNT Staff Writer

Oliver Hirsch

An angry group of 30 persons formed the People's Committee Against the Rate Hike Wednesday night, putting into action a plan to fight a proposal to raise Tacoma City Light's rates in 1975.

The meeting, sponsored by the Unemployed Workers Organizing Committee, resulted in the formation of a campaign to generate public outcry against any rate hike and petition city officials to drop the proposal.

City Light announced in February that a rate hike of up to 25 per cent can be anticipated, but studies have not yet been completed to determine the size of the increase, nor have public hearings by City Light been set on rate proposals.

Oliver Hirsch, 27, spokesman for the group which met in St. Leo's Catholic Church, said the new committee will meet each Wednesday and will soon begin circulating petitions.

THE MAIN CONCERN voiced by most persons attending the meeting was that inflation-burdened persons

living on fixed incomes cannot afford to pay a rate increase.

Hirsch said he was told by City Light officials that the rate increase is needed to offset a cost hike by the Bonneville Power Administration, which sells power to City Light, and to offset demands for more service.

Last winter's energy conservation campaign also cut into City Light revenues, Hirsch said.

"The working people are going to have to pay for all this instead of the big industries and businesses which don't pay their fair share," he added.

"We know we are being ripped off," one woman said.

Some said they would refuse to pay the rate increase should it be implemented.

OTHERS SAID they recognized City Light's concern for adjusting rates, "but let's tell them not to put it on the shoulders of working people."

"Wages haven't gone up 25 per cent," one man said.

The committee decided in addition to a door-to-door canvass of Tacoma to gain signatures, to schedule a rally in the near future, and to confront city officials at public utility and City Council meetings to make them aware of public opposition.

coments: The forum was paneled by Brian Kimbrough, Sonya Goldberg, and Janice Becker. The fourm began around 20 minutes late, at around 7:50 P.M. , with Brian K. giving the first half, followed by SonyaG. Approx. one hr. at the end was devoted to questions and answers. During the Q and A session both Joe Wesson and Deardra Ostrander, while giving favorable additional information on the RU "line", revealed themselves as RU members in the context of phrasing their pro-RU statements as such: "We (meaning the RU) feel so and so on this issue." While Deardra was speaking she said that when Bob Avakian was giving his national tour speaking in the San Francisco area she and some other people were down there and that they attended his speech. (** a black / Male/ approx. 24-27/ wearing horn rimmed glasses and a blue Mao hat/ slight build said that he had attended Avakians speech when it was given in L.A. + first time that I have seen him)

Within the framework of this RU forum it should be noted what appeared to be a deliberate distribution of audience participation by people identifying themselves as members of RU and by those indirectly identifying through their comments. As in the past at other RU forums individual RU members were positioned around the perimeter of the room.
End.

P.S. Joe Wesson took Wayne Kaplin's Dodge Van to drive to Portland he will be leaving sometime tonight with some other people.

--- Jan Ford was noticeably absent.

--- Loyal Donald is definitely on very bad terms with members of the RU - he has purportedly made several anti-RU comments. and / has / He is doing some type of work with a woman by the name of Malinda.

Rally At Tacom City Offices

Picket line started at 7:30 PM 30 people were on the line. The following people were present:

Jim Ransom
Glenn & Buella Robb
Bill Buckly
Sona Goldberg
Scott Johnson
Henry Valenti

Younne Pritchett
Joan & Oliver Hirish
Randy Rowland
Dave Henry
Kerry Hayne

At 8:00 PM the group moved to City Light meeting. The Chairman of Committee for City Linht allowed Buella Robb to speak for "committ to stop The Rate Hike." Enclosed leaflet was read as statement from the group. After the reading of the statement the group chanted out.

Oliver Hirish spoke to the group about meeting Sat. Oct. 26 at St. Leos to plan next move of the committee.

Younne Pritchett now lives on N. Pine and 11th St. area.

STOP THE RATE HIKE!

If we don't do something to stop it, Tacoma's "City Fathers" will approve a 20% electricity rate hike before the first of the year. We've been hit with rising food costs, gasoline and fuel costs, rent costs, you name it. This has got to stop!

It's pretty clear who's going to get hit the hardest--people on fixed incomes: elderly people drawing social security or pensions, welfare families, unemployed workers. Employed workers will get hit hard too because wages are coming nowhere near keeping up with prices. All of us will have to fight this together; it's the same crisis that affects working and poor people, and it's got to be the same fight for all of us.

But when we say that we are putting City Light on notice that we are going to fight like hell against this increase, we want them to know that that doesn't mean we want them to take it out on City Light workers. Like we said this economic crisis is affecting all working and poor people, and we see City Light workers as our allies in the fight. We'll fight like hell against the rate hike, but we'll fight like hell against any attempt that City Light makes to take it out on its workers.

For over a year now we've been hearing this garbage about the "Energy Crisis," and how we all have to pitch in together and sacrifice. HA! You know how the rich have "sacrificed" all through the "crisis"--they've raked in the highest profits in history! When they talk about sacrifice, what they mean is, "sacrifice the heat in your homes while we hike the rates, sacrifice your jobs while we lay you off, sacrifice feeding your families while we jack-up food prices." That's how big business and their store-front government want to make it through the crisis--with OUR sacrifices!

Well, there's a crisis alright--the system's in trouble, and the rich are having to scramble for more and more profits just to prop it up. But it's their crisis and we're not going to sit idly by while they try to make us pay for it. Working and poor people across the country are fighting back against attacks on our standards of living, and this is part of that fight. We've never gotten anything without fighting for it--and we're going to have to fight like the devil to stop these rate hikes! Join us!

On Wednesday, October 23rd, the Committee to Fight the Rate Hike will be having a rally in front of the City Light offices at 35th and South Union Streets. That's the day that City Light will be making its formal request for the rate hike, and we want to be there to tell them what the people think of it.

If you want more information, or if you want to join us in the fight, or if you want petitions to circulate among your friends and neighbors, the Committee is having weekly meetings to discuss these actions. For information or for rides, call 572-7282 or 272-8297, or drop a card to P.O. Box 312, Tacoma, 98401.

Rate-hike protesters disrupt Council

By JERRY PUGNETTI

TNT City Hall Writer

A group of 25 demonstrators disrupted a five-hour meeting of the City Council Tuesday as the council considered a proposed 20 per cent electrical rate increase.

Council members are expected to vote on the proposal next week. *100-57556*

A group, calling itself the Committee to Fight the Rate Hike, entered the meeting chanting and waving signs. They left, however, after one member was removed from the meeting, but returned to urge the council to vote down the rate hike. *100-32491*

Henry V. Valenti, 30, sought to speak against the increase shortly after the meeting got under way, despite a warning from Mayor Gordon N. Johnston that the group could only speak when the council discussed the proposed increase.

JOHNSTON THEN ordered that Valenti be removed.

Valenti was taken to jail by plainclothes police officers and charged with disrupting a public meeting. Valenti posted \$100 bail and later returned to the meeting with the group.

The demonstrators' contention was the same they voiced when they disrupted two meetings of the Utility Board and an earlier council meeting.

The poor and elderly, they said, will get hit the hardest while industries are being given a preferential rate.

OLIVER HIRSCH, who initiated the committee, said he has a petition with 3,500 signatures from people against the increase.

"People are saying if the rate hike is approved, they just won't pay," he said.

Several retired persons, however, told the council it must raise the rates.

Staff photo by Bruce Larson

Valenti escorted to jail

"I don't enjoy the prospect of a rate increase," said John Driebelbis. "But unpleasant as it may seem, a rate increase is needed to keep the utility from operating at a loss."

Utilities Director A. J. Benedetti said the proposed rates are as fair and equitable as the utility can provide, based on the cost to provide

each class of customer with electricity.

UNDER THE proposal, residential customers would

pay a 19.4 per cent increase, while businesses and industry would pay an increase ranging from 14 to 30 per cent.

Benedetti told the council

Tacoma City Light's proposed rate schedule is one of the lowest in the nation and is lower than what other Pacific Northwest utilities provide.

1. Feb. 2nd. Demonstration in Seattle.
2. Prairie Fire Cultural Tour
3. RSB members monitoring UW classes in an attempt to promote RSB goals.
4. Finances.

--- The "Big Event" for the next month will be preparing for the Prairie Fire Cultural Tour. 7 Seattle, Tacoma, Olympia (Evergreen College), Bellingham, Portland, Corvallis, Eugene, Boise, Idaho, Missoula, Montana are all going to be visited on the tour. (Sonya Goldberg said that a request for the tour to show in Salt Lake City, Utah, had to be denied due to lack of funds. The show itself will probable last for approx. two- three hrs. Danny Horowitz will begin the performance with an act of ventriliquism / followed by the Tacoma group "Rising Storm"/ followed by Danny again/ followed by a 15. min. speech by the RU on. revolutionary culture/ Danny again/ followed by the San Francisco based group "Prairie Fire"/ then hopefully the KDP cultural group "KM"/ then hopefully the entire audience will sing different songs. Jan Ford will present the RU speech in Oregon (all performances), someother member of the RU will do the presentation in Wash. and Montana, Idaho. Sonya Goldberg will be the "advance" tactical represenative for the tour- arriving a couple days ahead of the tour and making sure of all the final details. Sonya has asked for a member of the RSB to travel with her in the advance position but as of yet no one has enough free time. Oliver Hersh said that last year when Prairie Fire came to this area approx. 75 people showed up for the performance. He said that realistic- ally (continued)

we have to plan on that basis. The UW chapter of the RSB is therefore going to attempt to gain ASUW financing for bring Prairie Fire to the Northwest. This will hopefully include payment for their plane fare plus an "Honorarium" to be paid for their performance. Sonya Goldberg ran down the projected expenses for the tour as follows: 1. Posters \$100-200.00, 2. leaflets \$ 100 p 200.00, 3. rental of a 12 passenger van \$ 250.00, 4. gas, others, \$200.00, plane fare for Prairie Fire: \$240.00, round trip for the two member group. 5. The RSB -NW Worker (being co-sponsors) definitely want to be able to pay Prairie Fire no less than \$200.00, for their work and time. The same amount was discussed by Oliver Hersh as being appropriate for Rising Storm since, Oliver stated that his group has recently spent over \$1,000.00, for purchase of band equipment. The total projected expenses come to somewhere in the area of \$1,500.00. Thus far Oliver said they have about \$200.00, cash, to begin paying for various expenses. Sonya Goldberg said that the side trip to Missoula, and Boise are just about doubling the expenses of the trip, but, she said that everyone feels that in order for the movement to grow in those areas the effort must be made. Approx. 20,000 to 30,000 leaflets are going to be printed and distributed in the Seattle area alone. All profits from the tour are going to be split 40% for the NW Worker, 30% the Bands, and 30% for the RSB. Seattle performance Friday, Feb. 7, Missoula - Sunday, Feb. 9, and Boise Monday, Feb. 10 - all tentative dates.

--- Cameele ? (not positive as to pronunciation of name) said that she just recently (last quarter) obtained her BA in English Lit. from Antioch. She attended that school for approx. 3½ yrs. She is originally from New Jersey - her parents live there and her father is quite wealthy. She worked with the RSB at Antioch. She mentioned "Yellow Springs" as being a place where she once did political work. She was riding with Dave Hanawald, in his car, and I think possibly that she is staying at his house in the Wallingford area.

--- The RSB monitoring of UW classes will at present be only three: two ~~will be~~ taught by Phil Moranto - one by another Prof. Robbie Stern are being
is a teachers assistant for Phil Moranto.

--- The Rsb "New Years Party" which was devised as a fund raiser turned out not to make any profit. However approx. \$80.00 worth of whiskey purchased for the event was left over and will be sold off to various people and the cash put into the treasury.
End.

p.m. He and Bob Stein are both driving to Tacoma and Evergreen tonight.
--- Katlin Berry's home phone number is 329-1779.

End

The University of Washington chapter of the Revolutionary Student Brigade joins with the other people of this city, in demanding an end to all proposed use of the hollow point bullet or the 357 magnum cartridge.

There are some people whose names are important to this meeting;
Tony Wilkens, Los Angeles California
Charles Sutton, Newark New Jersey
Clifford Glover, New York City
Alberto Terrones, Union City California
Antowyn Cauley, Detroit Michigan
Michael Jones, Seattle

Why are these people important here today? They are but a few of the minority peoples of this country who have been gunned down by police in the streets in the last few months. The list of Black, Latin, Asian, and Native American people, as well as poor and working people of all nationalities who have been shot, beaten, and murdered in the last year is virtually endless. In Atlanta Georgia alone, 23 Black people have been killed by police in the last year.

And every time the cops shoot somebody down they come up with the same excuses; the need to protect the public safety, the need to maintain "law and Order".

Seattle is no different. The excuses are the same. But when Michael Jones was shot in the back, whose interest were they protecting? And when the cop who shot Michael Jones was given a 10 day "vacation", who was that justice for? And when Chief Hansen allowed the use of the hollow point because he claims it is "safer" who does he think he is fooling? If he was interested in a safer bullet why did he approve the use of the 357 magnum cartridge?

Behind all this rhetoric stands the plain unalterable fact which everyone in this room knows; the one and only reason the SPD is trying to adopt the hollow point bullet is because it is more effective at killing people!

The police in this city and throughout the U.S. continue their attacks in their attempt to intimidate and suppress the people; because the police, just like the politicians, the courts, and armies don't serve the interests of the masses of people. They only serve for the interest of the few rich monopoly capitalists who control this country.

But this imperialist system is in turmoil. Everywhere we look, people are fighting back; national liberation struggles around the world beating back imperialist aggression, the massive and militant strike wave, and people here demanding an end to national oppression in this country.

You on the city council better realize that everywhere- oppression breeds resistance, and the campaign to stop the hollow point like others against police repression will only grow stronger. And we will not stop with hollow points, we will not be finished until the whole rotten system is bundled up and thrown into the dustbin of history!

THE PEOPLE UNITED WILL NEVER BE DEFEATED!

STOP THE HOLLOW POINT- END ALL POLICE REPRESSION

THE POLICE ARE A TOOL OF IMPERIALIST RULE
SMASH U.S. IMPERIALISM!

Unemployed to march Tuesday

A march against unemployment was set to start at 4:30 p.m. today at the County-City Building, then wind down 11th Street for a rally at the Pacific National Bank of Washington plaza.

Oliver Hirsch, a spokesman for the Unemployed Workers Organizing Committee, which scheduled the march, said, "Working people didn't cause the economic crisis."

Hirsch noted that Congress has released only \$875 million of the authorized \$2.5 billion for jobs under the current government job program through the Comprehensive Employment and Training Act.

"We want jobs now, not promises," Hirsch said.

Implement of a Peace Agreement

End all aid to Thieu and Lon Nol!

DEMONSTRATE!

Sat. Feb. 23rd 1968 - 100 - Center Park, Univ. of Hawaii

WAR/WE

VETERANS' UNION - ALL VETERANS' ORGANIZATION
ORGANIZATION OF 1945 SUBJECTS
REVENUE AND FINANCE
U.S. GARAGE RAILROAD, LAYERS OF
REVOLUTIONARY TROOPS

On January 27th, 1973, a peace agreement was signed between the United States and its allies and North Vietnam and the Provisional Revolutionary Government of South Vietnam.

We are coming now to the second anniversary of the signing of that agreement, but instead of peace, the war in southeast Asia is more than ever. The Thieu regime in South Vietnam and the Lon Nol regime in Cambodia have completely ignored the agreements and with massive amounts of aid from the United States have continued the continuing war with further tightening of their dictatorial rule over the populations they control.

The signing of the peace agreement represented a giant step forward for the people of southeast Asia on their road to victory. The United States, which was forced to sign the agreement after having been dealt a huge military and political defeat, had to withdraw all ground troops from Vietnam and Cambodia, cease all bombing and other air activity against the people of those countries, lift the mine blockade of North Vietnam, and admit that its 15-year effort to crush the liberation struggles in that area had failed. But at the same time, the U.S. imperialists still hope to achieve their aim by the scheme of "Vietnamization" - letting the armies of corrupt half-pinked governments do the job they could not do with huge amounts of aid from the U.S. treasury. This, too, is failing. Both governments are collapsing, meeting with huge military setbacks and massive popular uprisings and opposition to their rule.

As a result, the U.S. is once again making threats of direct aggression. Recon flights have been resumed over North Vietnam, and increasingly the government has been making noises about re-escalation. But no matter what the U.S. and Saigon do, the liberation forces are on the road to victory.

VIETNAM VETERANS AGAINST THE WAR/WINTER SOLDIER ORGANIZATION is calling for nation-wide demonstrations to mark the second anniversary of the signing of the peace agreements. One of the main demands: ENDEAVOR TO THE PEACE AGREEMENTS - END ALL AID TO THIEU AND LON NOL. VAW/WSO hopes that these demonstrations will show the continuing solidarity of the American people with the fight of the people of southeast Asia for freedom and independence.

Amnesty for War Resisters

The February 1st demonstration in Seattle will also mark an important step forward in the fight for UNIVERSAL AND UNCONDITIONAL AMNESTY FOR ALL WAR RESISTERS! Hundreds of thousands of Americans who resisted the war and the U.S. military in one form or another, are now in prisons, in exile, or branded with bad discharges because of their resistance. The greatest numbers of those affected by the amnesty question, in fact, are the working-class veterans, many of them third world, who cannot find a job and are denied all GI Bill benefits because of a less than honorable discharge. We also demand amnesty for those Vietnamese students in this country who are facing deportation proceedings and possible trials in South Vietnam for their anti-war activity in the United States. We hope that this demonstration will mark the beginning of more intense mass activity around the demand for amnesty, and the building of a movement which will force the government to junk Ford's phony amnesty program and grant unconditional amnesty immediately.

Oppose

U.S. Intervention in the Mid-East!

Finally, it is important that we apply the lessons of the struggle against the Vietnam war to the future. With the U.S. imperialists through their spokesman such as Ford and Kissinger acting in an openly aggressive way, threats of launching a new war in the middle east, we must remember that same strength and power of the masses of people that brought U.S. aggression to a screeching halt in southeast Asia CAN PREVENT any new imperialist war from being initiated in the middle east. We oppose any military threats and attacks on the Arab people, whether direct or indirect. OPPOSE US INT. ACTION IN THE MIDDLE EAST!

There have been demonstrations and rallies held in Tacoma, Wn., during the past approximate year wherein signs carried by demonstrators and pamphlets distributed by demonstrators have indicated such demos to be sponsored by UWOC.

Where these pamphlets have been distributed they reflect a PO Box 312 and a phone number of 272-8797. In the past it has been determined that the Box and the phone number are registered to Oliver V. Hirsch and Joan Hirsch, 1212 S. State St., Tacoma, Wn., which is their residence.

Both of the Hirsch's have taken part in demonstrations and the rallies in the past. Both are reported to have attended ~~meetings~~ meetings of RU on social activities sponsored by RU

Both, also have appeared in demonstrations in the Tacoma area in which the demonstrators carry signs reflecting sponsorship of the demonstration by VVAW/WSO.

Sources in the Tacoma, Wn., area, including DAVID Moore of the Tacoma Police Department, have reported that there is no organizational set up so far as office space or official address designations for either the UWOC, the RU or the VVAW/WSO. The RU is believed to be the controlling influence is VVAW/WSO in the Tacoma area inasmuch as Glenn Robb and other RU members appear to be the persons planning demos sponsored by VVAW/WSO. Contact with sources in the Greater Los Angeles area who are familiar with Revolutionary Union/Revolutionary Communist Party, U.S.A. activities were unable to provide any information regarding captioned subjects.

Limited investigation at Los Angeles reflects subjects have received mail within the past two months at 537 Cashmere Terrace, Los Angeles, California, which is believed to be the residence of the mother of JOAN LANDIS HIRSCH.

Seattle should note that in MEMORANDUM TO ALL SPECIAL AGENTS IN CHARGE dated 11/25/75, Memorandum 54-75, Section (D) entitled Movement of Security Subjects Between Field Offices - Justification for Investigation, it states in part: "Regardless of past activities, if no current justification exists to investigate a subject based on his current subversive activities, there is no basis to reopen the case even if to just verify his residence."
